Stipulation To Correct the Court's Claim Construction Order Due to a Transcription Error Case Nos. 11-cv-0840-JCS, 11-cv-01609, 11-cv-01610

# Case 3:11-cv-00840-JCS Document 115 Filed 05/31/12 Page 2 of 5

1	WHEREAS, the Court issued a claim construction order on April 11, 2012 ("Markman
2	Order," Case No. 3:11-cv-00840, D.E. 106; Case No. 3:11-cv-01609, D.E. 81; Case No. 3:11-cv-
3	01610, D.E. 95);
4	WHEREAS, in its Markman Order the Court construed the term "soluble in the pH range
5	of no less than 6.5 to no more than 7.0," found in claim 7 of U.S. Patent No. 7,790,755 ("the '755
6	Patent"), to mean "begins to dissolve in the gastrointestinal tract at pH values within the range
7	from 6.0 to 7.5" (Markman Order at 71);
8	WHEREAS, this construction appears to have been the result of a transcriptional error;
9	and
10	WHEREAS, the Court appears to have instead intended for the term "soluble in the pH
11	range of no less than 6.5 to no more than 7.0" to mean "begins to dissolve at pH values within the
12	range from 6.5 to 7.0";
13	The parties, by their undersigned attorneys, hereby stipulate, subject to the approval of the
14	Court, that the <i>Markman</i> Order should be corrected to reflect that the term "soluble in the pH
15	range of no less than 6.5 to no more than 7.0" means "begins to dissolve at pH values within the
16	range from 6.5 to 7.0";
17	The parties, by their undersigned attorneys, further stipulate that this stipulation is entered
18	into solely for the purpose of correcting what appears to have been a transcriptional error in the
19	Markman Order and that nothing herein shall be construed as a waiver of the parties' respective
20	positions with respect to claim construction.
21	Respectfully submitted,
22	DATED, May 20, 2012 HANDA DHADMA CEUTICAL C. LL C.
